EDUCATION

A.A.N.M. & V.V.R.S.R. Polytechnic College

Expected Graduation: Month Year

Bachelor of Technology in Computer Science

CGPA: 9.4/10

Relevant Coursework: Data Structures & Algorithms, Android Development, Object-Oriented Programming, Database Management Systems, Operating Systems

TECHNICAL SKILLS

Programming Languages: Java, Python, C/C++, JavaScript, XML

Android Development: Android SDK, Android Studio, Material Design, Firebase, Jetpack Components

Web Development: HTML, CSS, JavaScript, React.js, Node.js

Backend & Databases: Firebase, Supabase, REST APIs, SQL

Tools & Technologies: Git/GitHub, VS Code, LaTeX, Linux

Core Competencies: Data Structures, Algorithms, OOP, UI/UX Design, Problem Solving

PROJECTS

Portfolio Website

GitHub: [Link](#)

HTML, CSS, JavaScript

Date

- Built a responsive portfolio website showcasing projects and technical skills
- Implemented modern web technologies with clean, minimal design and smooth animations
- Optimized for performance and cross-browser compatibility

EXPERIENCE

Technical Content Creator

Date - Present

itemize[leftmargin=, noitemsep, topsep=2pt]*

Create educational content and tutorials for coding students focusing on data structures and Android development

Design clean, modern info graphics and visual learning materials for beginner programmers

Maintain active GitHub repository with code samples and project documentation

COURSEWORK & CERTIFICATIONS

- **NPTEL Courses:** *Communication Skills - Enhancing professional communication and interpersonal skills* advanced computer science courses
- **Data Structures & Algorithms:** *Comprehensive training in problem-solving and competitive programming*
- **Android Development:** *Specialized coursework in mobile application development*
- **Full-Stack Development:** *MERN stack and modern web technologies*

ACHIEVEMENTS & ACTIVITIES

- *Contributing to open-source projects and maintaining active GitHub profile*
- *Participated in competitive programming contests and coding challenges*
- *Created lab manuals and documentation for academic coursework*
